  - Option B: Enter directly into the workforce with an Associate's Degree or Career Certificate.
  - Option C: Continue Islamic Studies and electives at QIS for enrichment (if desired).
-

## Key Notes for Families

- The HiSET path is an **accelerated route** for students who are ready to transition to higher education early.
  - Students must still complete **Islamic Studies, Quran, and community service requirements** through Grade 10.
  - **Counseling support is required:** Not all students are recommended for this path — readiness in academics, maturity, and family support will be reviewed.
